## **SOLID★GOLD - #1 Band in the Palm Beaches & Treasure Coast**

WEST PALM BEACH — SOLID★GOLD was voted the #1 (best music) in the Palm Beaches & Treasure Coast. The band held the title since 2008 and has received three awards from both WPBF 25 and FOX 29 WFLX television stations.

"The band was thrilled to learn that we won again this year" said Jim Chrulski, SOLID★GOLD's bandleader and CEO for MusArt Productions Inc. "When I started this project I wanted to make sure that we had a clear vision of the 'brand' I wanted to build. The band needed to not only sound good but also have great stage presence and world class shows. I'm very proud of what we accomplished together and I couldn't have done it without my business partner and musical director Rob Surace" he stated.

Rob Surace, a veteran in the music industry stated "When I moved to Florida from New York, I was looking for a project that had all the characteristics of a New York City band. I had lots of offers from other bandleaders but I believed in Jim's vision for SOLID★GOLD and I couldn't be happier with my decision to join him in this venture. I can honestly say that this band now rivals the top bands in New York City" Surace added.

SOLID★GOLD is the signature product of MusArt Productions Inc. Both Jim & Rob are also owners of the production company. MusArt specializes in booking high-end corporate events and exclusive private parties. MusArt is releasing an original product called 'ADRENALOVE', a Pop/R&B girl band featuring the singers from SOLID★GOLD. Special concerts will be announced this summer.
